Welcome to the new NECA/IBEW Electrical JATC online database. In order to use this site the JATC MUST have a valid email address on file.

If you have not been to this site before but are certain that the JATC has your email information, click on "Forgot Password" and follow the directions.

If you have not been to this site before and are not sure if the JATC has your email information click on "Create Account" and follow the directions.

If you have been to the site before, enter the required information.

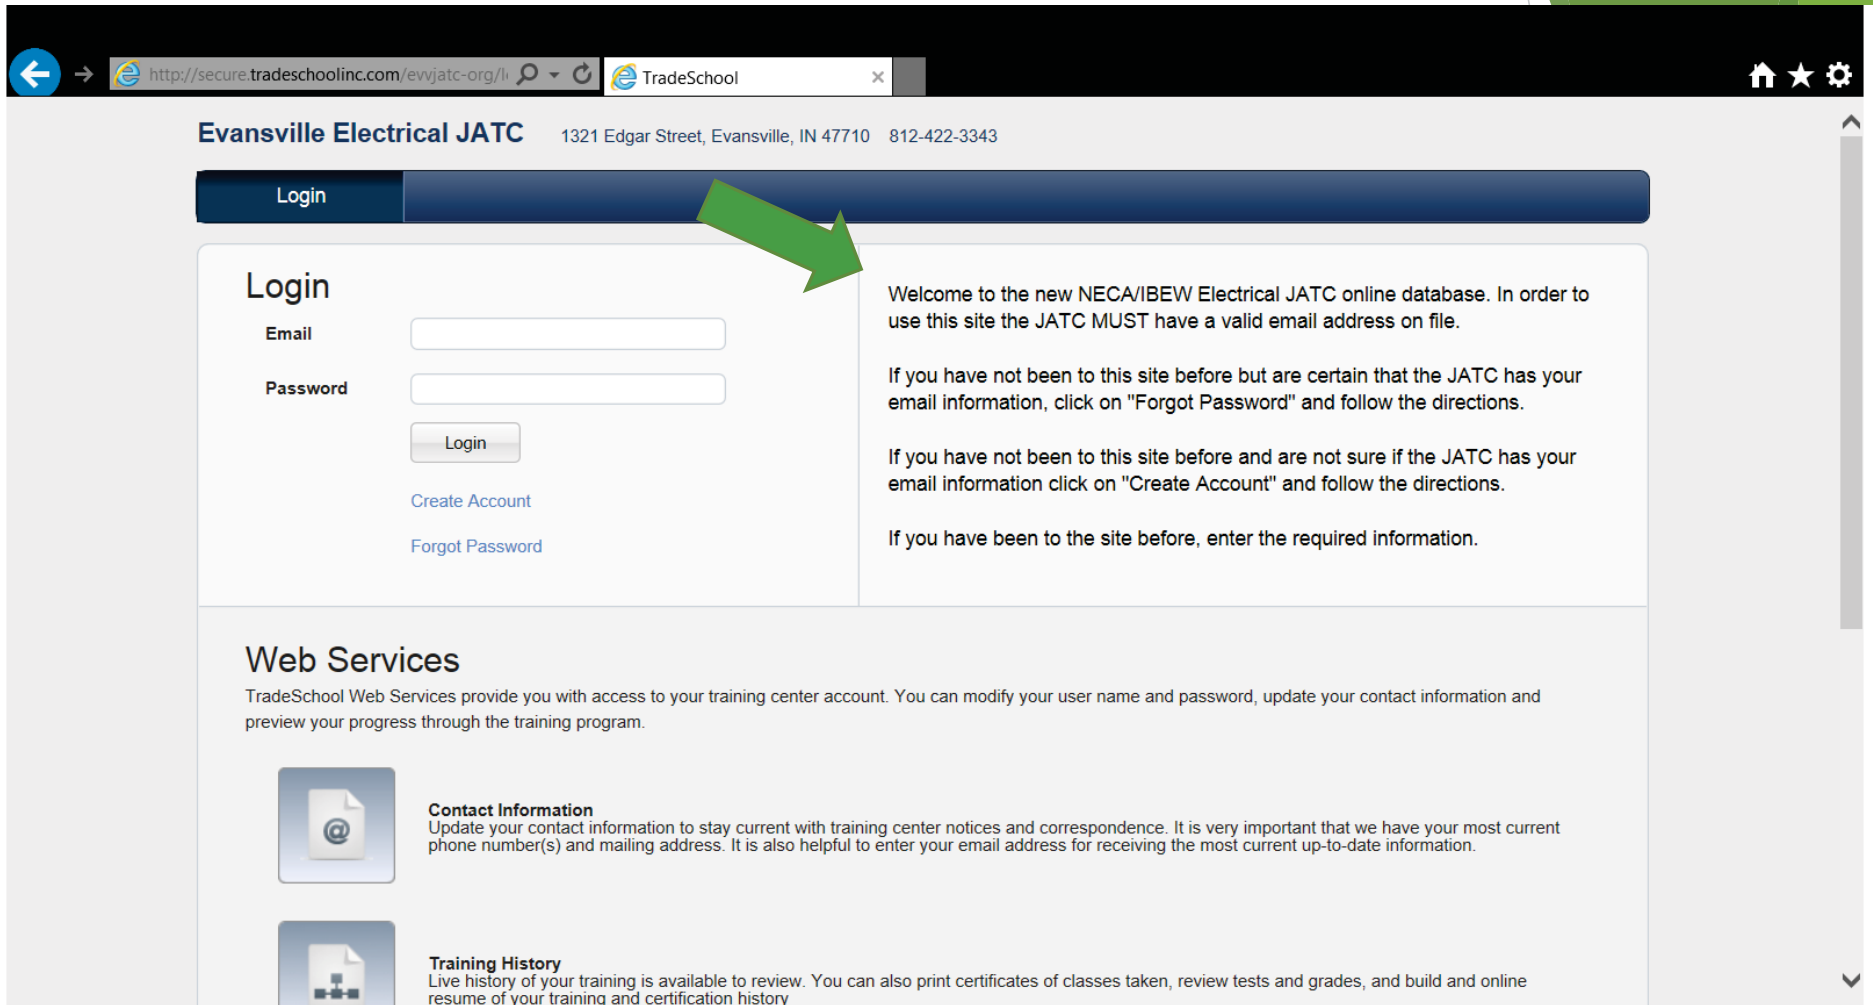

Web Services

TradeSchool Web Services provide you with access to your training center account. You can modify your user name and password, update your contact information and preview your progress through the training program.

 **Contact Information**
Update your contact information to stay current with training center notices and correspondence. It is very important that we have your most current phone number(s) and mailing address. It is also helpful to enter your email address for receiving the most current up-to-date information.

 **Training History**
Live history of your training is available to review. You can also print certificates of classes taken, review tests and grades, and build and online

Read the instructions

The screenshot shows a web browser window with the URL <http://secure.tradeschoolinc.com/evvjatc-org/>. The page header includes the text "Evansville Electrical JATC" and contact information: "1321 Edgar Street, Evansville, IN 47710 812-422-3343". A dark blue navigation bar contains a "Login" button, which is highlighted by a green arrow. Below the navigation bar, the main content area is divided into two columns. The left column contains a "Login" form with fields for "Email" and "Password", a "Login" button, and links for "Create Account" and "Forgot Password". The right column contains a welcome message and instructions: "Welcome to the new NECA/IBEW Electrical JATC online database. In order to use this site the JATC MUST have a valid email address on file. If you have not been to this site before but are certain that the JATC has your email information, click on 'Forgot Password' and follow the directions. If you have not been to this site before and are not sure if the JATC has your email information click on 'Create Account' and follow the directions. If you have been to the site before, enter the required information." Below this, a "Web Services" section is introduced, followed by two service cards: "Contact Information" (with an email icon) and "Training History" (with a document icon).

Journeyman can view upcoming classes

The screenshot shows a web browser window with the title "Class Schedule - Google Chrome". The address bar displays the URL: <https://secure.tradeschoolinc.com/evvjatc-org/classSchedule/index.php>. The website header includes the name "Evansville Electrical JATC" and contact information: "1321 Edgar Street, Evansville, IN 47710 812-422-3343". A navigation menu contains "Logout", "Class Schedule", "My Account", and "Apprentice". A "Logged In: Christopher Thorsen" notification is visible in the top right.

The main content area is titled "Classes in February 2014". On the left, there are three sidebar sections:

- Related Links**
- Classes by Location**: JATC 5
- Classes by Month**: February 2014 (1), March 2014 (1), April 2014 (2), June 2014 (1)

The main class listing shows a class with ID "6579" titled "JW Sig Chgs TS" with a "Hide" button. The class details are:

- Significant Changes to the National Electrical Code**
- Location:** JATC
- Room:** 5
- Instructor:** Slack, Terrence
- Certifications:** _____
- Enrollment:** 6 of 25
- Member:** \$0.00 **Non-Member:** N/A

Below the details is a "5 Day Class" schedule table:

5 Day Class			
Tu 02/18 6:30p-9:30p	Tu 02/25 6:30p-9:30p	Tu 03/04 6:30p-9:30p	Tu 03/11 6:30p-9:30p
Tu 03/18 6:30p-9:30p			

On the right side of the page, there are two "Search for Classes" input fields and a "Classes by Certification" section.
